

Preferential pricing on AA Auto Glass Plus.

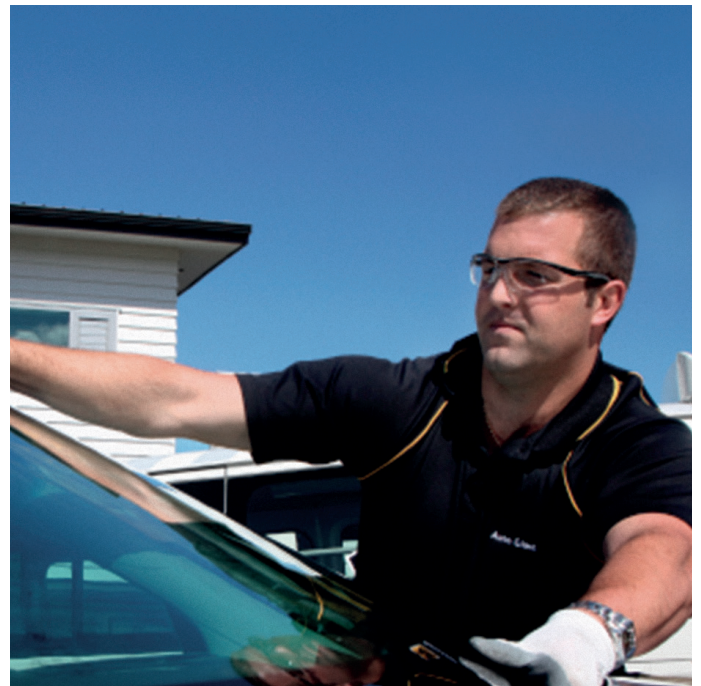

Keep your windscreens and other vulnerable auto glass parts in perfect condition with Vero and AA Auto Glass Plus.

AA Auto Glass Plus is designed to meet the needs of light commercial fleet operators to manage the repair or replacement of automotive glass. It covers all passenger and light commercial vehicles up to 3500kg.

Because of Vero's partnership with the AA, you have access to their range of fleet management tools and preferential pricing on automotive glass repair and replacement.

BENEFITS

- 1 Save costs on auto glass repairs and replacement.
- 2 Quick service with nationwide coverage.
- 3 Providers you can trust. The service is offered by Vero and AA Auto Glass, a division of AA Motoring.

ALREADY COVERED?

If something should go wrong, and you need to make a claim, we're here to help 24 hours a day, seven days a week.

NOT COVERED?

If your commercial motor policy excludes or limits a motor vehicle glass extension, simply authorise your broker to arrange the AA Auto Glass Plus service with Vero.

GET AN APPRAISAL

The AA Auto Glass assessment team can visit your premises and carry out a detailed appraisal of your fleet service requirements, providing you with an accurate cost to repair or replace your automotive glass on an ongoing basis.
